MEMORANDUM FOR COMMAND AND STAFF JUDGE ADVOCATES

SUBJECT: Standard Training Packages Survey

1. In a memorandum dated 22 November 2006, I introduced you to the JAG Corp's newest training tool, Standard Training Packages (STPs). Since that time, many of you have taken advantage of this outstanding training resource and have encouraged your Judge Advocates to use them to train Soldiers at all levels. It is our intent to make these STPs a dynamic resource capable of meeting your challenging training requirements within the contemporary operating environment. While initial reaction from those using the products has been extremely positive, in order to fully evaluate the STPs and incorporate user lessons learned, we need constructive comments from the field.
2. To collect your comments concerning content and style, I am forwarding the survey link below for your action. This also provides you the opportunity to suggest topics for future STPs. Please access the following link and complete the survey within the next two weeks:  
<http://www.zoomerang.com/survey.zgi?p=WEB226CM8ZCUDT>.
3. Six more packages will be released in June of this year. Topics include Detainee Operations, Command Investigations, Financial Liability Investigations, Military Justice for Leaders (including Lautenberg Amendment), Pre-deployment Legal Issues, and the Servicemembers Civil Relief Act. Updates to the current STPs will also begin within the next few months.
4. With the launch of the new Judge Advocate General's University (JAGU), the STPs can now be downloaded by logging onto the JAGU at the following web address: <https://jag.learn.army.mil>. After accessing JAGU using your AKO username and password, click the link under the "Standard Training Packages" heading. Clicking on "Standard Training Packages" in the Special Interest Areas of JAGNET will also take you to the link to the JAGU log in page.
5. The current packages were distributed on CD to attendees at the WWCLE in October 2006 and the Senior Warrant Officers and the Sergeants Major Symposiums in February 2007. All 14 packages, including the 6 new packages, will be distributed on CD during the SJA Team Leadership Course this June and again at the WWCLE in October.
6. The point of contact for STP inquiries is COL Gregory T. Baldwin, Director, Training Developments Directorate, TJAGLCS. You may contact COL Baldwin at [gregory.baldwin@hqda.army.mil](mailto:gregory.baldwin@hqda.army.mil) or by telephone at 434-971-3241.
